LOOK OUT—GOOD NEWS FOR ALL

THE NEVER FAILING **DR. VANHORN,** is the very best; he is sure to succeed when all others have failed. All who are in trouble; all who have been unfortunate, deceived, and trifled with! all whose fond hopes have been crushed and blasted by false promises! all who have had bad luck! fly to him for advice and satisfaction. All laboring under depression of spirits, bad health, distress and anguish of mind, from whatever cause, fly to him for relief and comfort. In love affairs he was never known to fail. He has the secret of winning the affections of the opposite sex. He shows you the likeness of your future husband or wife. Read his Private Medical Lectures, and his Bliss of Marriage, or a Sure Road to the Altar. Further particulars sent gratis to aay name or address. All interviews and communications are strictly private and confidential.

WEALTH, EMINENCE, GOOD LUCK AND HAPPINESS,

are within the reach of all. To all business men his advice is invaluable. He can fortel, with the greatest certainty, the result of all commercial and business transactions. ALL those who have been unsuccessful in life and in business. ALL those who have worked hard and struggled against adversity and misfortune, the greater part of their lives, and found the more they tried to get forward in the world, the more things went against them. ALL those who had bad luck consulted him, their bad luck left them, and they are now fortunate, rich, eminent and happy.

The public can distinguish those who copy his advertisements, and judge between him and all who are trying to imitate him. COME ONE, COME ALL, to

SAMUEL SIMES'
PURE COD LIVER OIL.

NO KNOWN TEST will recognise pure Cod, from other fish liver oils, or even from extensive sophistication with other oils. The character of the manufacturer is the only guarantee of genuineness.

COMMERCIAL OIL is seldom or NEVER pure; Hake, Pollock, Haddock, Dogfish, even Seal, Lard, or Whale oils, constitute portions or wholly the article usually supplied as Cod Liver Oil; jeopardizing the life of the patient and sapping the reputation of both vender and physician.

PERSONAL INVESTIGATION of the above facts induced me at considerable expense to supply my customers with an article of MY OWN MANUFACTURE. The extraordinary favor it has received; its great superiority in quality, appearance, and effectiveness, have created a demand which enables me to give that personal supervision to its manufacture by which I am enabled to guarantee it absolutely pure and unequalled by any other.

My oil is separated from fresh and healthy Livers of the Cod alone, the same day the fish are caught, by a process which yields it just as it naturally exists in the liver cells of the live fish; so bland and fresh, that the most sensitive palate will take it with pleasure; contradistinguished from all others by its unaltered natural condition, by its perfect transparency, absolute purity, and freshness, it has received the patronage of the first physicians throughout the continent, an award from the Franklin Institute of Philadelphia, and the medal at the World's Fair, London.

It is handsomely wrapped, in large bottles, each accompanied by an elaborate treatise, illustrative of its source, preparation, properties, &c., &c., and carefully packed for transportation.

☞ PURCHASERS AND CONSUMERS desirous of employing the pure tasteless Oil, should be very cautious in observing that my name is impressed upon every bottle, and my written signature in ruby ink upon every label.

A LIST OF PRICES, with my copy-righted illustrated treatise, will be furnished gratis to post-paid applicants.

LIGHTNING RODS.

The awful calamities that every City, Town, Village, and Country falls victim to annually, through the gross negligence of its inhabitants, is beyond calculation, and especially when the remedy is so easy to obtain—this is found in

ARMITAGE'S

Patent Magnetic Lightning Rods,

And in this alone. This Rod has been examined by the most scientific gentlemen in the world—Professors M'Murtrie, Johnson, Wallor, and many others that have examined them, recommend and speak of them in the highest terms of approbation, and have pronounced them the only safe Rods now in use in this or any other country, FOR THE PROTECTION OF LIVES AND PROPERTY. One advantage is to divide and throw back a part of the electric fluid harmless to the clouds; this in time of a Stroke, enables the Rod to conduct that portion of fluid that belongs to the earth without the slighest danger of leaving the conductor. This Rod has many other advantages over the old one. The only place of Manufacturing is in

Vine Street, three doors above Twelfth, Phila.

where all persons are respectfully invited to call and examine for themselves.

JOHN F. ORD,

SUCCESSOR TO YERGER & ORD,

PATENTEE AND MANUFACTURER

OF THE

Metallic Skeleton

ARTIFICIAL LEG,

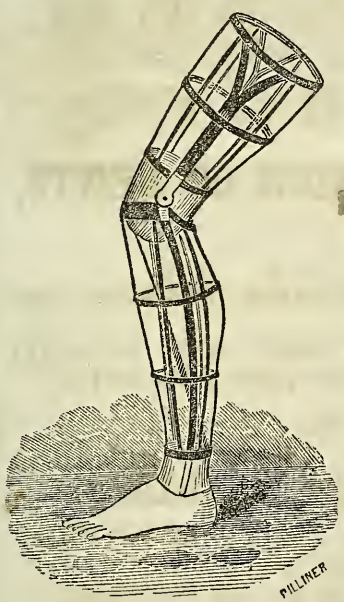
ANKLE SUPPORTER,

AND

IMPROVED ANATOMICAL MACHINERY

FOR THE

TREATMENT OF DEFORMITIES.



The Metallic Skeleton Limb is *light, neat, strong and durable,* it is constructed of steel ribs, and rings, or bands united together upon the principle of a lattice bridge, or arch, one piece bracing and sustaining the other, rendering it capable of bearing any required weight; the socket or receptacle of the stump being open below, allows a free circulation of air, keeping it always cool and healthy, thereby preventing ulceration, which is almost invariably the consequence when the stump is confined in air-tight sockets.

The motions of the knee and ankle joints approach so near to nature as to render it almost impossible to distinguish it from the natural limb, and it can be adapted to every form of amputation, and worn without the least difficulty.

No stronger proof can be given of its superiority than the fact that it has been examined and approved of by all the eminent Surgeons and Physicians in Philadelphia, and elsewhere, to whom we take pleasure in referring at all times.

The Massachusetts Charitable Mechanics Association, the American Institute New York, and the Franklin Institute Philadelphia, have awarded Silver Medals to Yerger & Ord, for the Skeleton Leg and Deformity apparatus constructed by them.

Every information in reference to the Metallic Leg, Ankle Supporter, and Instruments for Deformity, will be given, on application personally, or by letter (post paid) to
